question of not changing the officers once in two months or three months which has caused havoc andgiven scope to play their own game?

(*No answer*)

Sri C. K. RAJIAH SETTY.—Sir, on the second day when questions from the Second List were being put the Speaker was pleased to say at the close of the question hour that all the questions that lapsed would be reprinted and now it is said that they have lapsed.

Mr. DEPUTY SPEAKER.—They will be printed in the proceedings.

Sri C. K. RAJIAH SETTY.—Sir, we find that there are 8 to 10 questions of the same member in a list. We do not know why you are not giving chance to all the members to put their questions. The question list should be arranged in such a manner that the questions of as many members as possible come up for answer. Opportunity should be given to all members to put their questions.

Mr. DEPUTY SPEAKER.—The questions are printed in the order of receipt.

Sri B. V. DESAI.—Sir, at the time of replying to question No. 17 regarding the Upper Krishna Project the Hon'ble Minister was prepared to make a statement. This is a very important matter. Mr. DEPUTY SPEAKER.—You can arise half an hour debate afterwards.
